Appendix A - Notes

18S. John MAESON

Robert William Strange names his father as Robert Strange Labourer on his marriage certificate but this may be untrue. I am fairly certain that he's the son of Jane Strange and John Meason because in 1871 he is living in Wroughton and his younger "Brother in Law" Henry James Meason is living with him and I know this is the right Robert William because he is married to Mary Ann and his first son William Robert is present.

Why describe Henry James Meason as "Brother in Law"? Perhaps Jane Strange dies? and he's brought up by his father and a step mother who's also a Jane? A birth cert for Henry James Meason (b abt 1861) might help. Most likely he being discreet about his parentage.
